

LORD MONCKTON AUSTRALIAN TOUR

Noosa Visit

There are many who speak with authority on **Global warming - Climate Change**, but few, if any, who speak with the eloquence or commitment of The Viscount Monckton of Brenchley,

Christopher Monckton.

A former advisor to British Prime Minister, Maggie Thatcher,

Lord Monckton has demonstrated his debating world leadership in recent years as an Anthropogenic (Man Made)

Global Warming Sceptic. See

Lord Monckton

introduced by

Professor Ian Plimer

at

The J

in Noosa Junction at

2.00pm

on

Saturday 30th January 2010

Admission will be by way of a \$20 donation
