

GLOBAL WARMING?

Why did Copenhagen fail?

Why has global warming science failed?

Why are the alarmists wrong?

Why does the government still want to introduce a global warming tax which could bankrupt the nation?

International Commentator and former
Science and Economic Policy Advisor
Christopher Lord Monckton will explain why.

Lord Monckton will be introduced by
Professor Ian Plimer, leading Academic and
author of Heaven + Earth.

DATE: 5:30pm, Wednesday 27 January 2010

VENUE: Grand Ballroom, Sheraton on the Park,
Elizabeth St, SYDNEY

ADMISSION: \$20 payable at the door.
