
Fed up with the government?

Drive to Canberra to tell them!

It's history in the making

Thousands of cars, caravans, utes and trucks are driving across Australia to demand an election. We've never seen anything like it!

Join us even for an hour to support the convoy. No car? Ask if there is a spare seat going.

16th – 22nd August

Convoy Details

For all other people filtering in across all states, you know your closest place, drive safely allow plenty of time to arrive. We look forward to seeing Aussie flags joining the peoples Convoy of no Confidence in the Federal Government.

- We need all participants to please check the below list.
- Make sure your **vehicles are road worthy and registered.**
- Make sure you **carry food and water, and bedding.**
- Make sure you **abide all traffic rules.**
- Make sure as the towns, and leaving times are announced, you **allow yourself save driving time to join in.**
- Make sure that you **have your banners / colours, and Australian flag to identify yourself as part of the Convoy.**
- It is **IMPERATIVE** that all vehicles joining the convoy, **behave in an orderly diving fashion.**
- It is **IMPERATIVE** that all vehicles **stay behind the trucks leading the convoy.**
- Make sure that you **leave room for normal traffic flows** not participating, to be able to **pass you safely on the road.**
- It is **IMPERATIVE** that people in the convoy listen to the two way radios - but do **NOT** join in for idle chatter on the truck frequency. **Pre organize another channel with your mates to do this, in the interest of safety for all drivers on our roads.**

- **The drive times will have early starts - YOU MUST BE READY**
- For **example**, most will be 6.00am starts and ending at 5.00pm.
- **NRFA convoy leaders**, are aware that many people are not used to driving at night, or are not experienced with long distance driving.
- Therefore, this convoy is being responsible in the welfare and safety of all those participating as much as humanly possible.
- Please make sure that you **allow time for amenities use** before departure times. Also, be aware as the number of vehicles grow - **we may experience difficulty with traffic entering CANBERRA! - (so go to the loo first!)**
- **Each driver will be a responsible driver of their own vehicle, which is common-sense.**

Min 2 competent drivers per vehicle on the longer convoys to minimise fatigue

- [This Convoy is YOUR Convoy.](#)
